Key Points

A Hub Representative team is recommended to consist of 13 players and 2 reserves.

A Team might play multiple matches in a weekend.

All players are required to meet a minimum fitness benchmark (Yo-Yo score) for Conference and above competition

Yo-Yo Requirements

U19 – 16.1

U15 – 15.5

U13 – 14.5

The 2025 Regional & Conference schedule is to be announced by the end of March. Region & Conference will follow USAC provided 'Playing Conditions'.

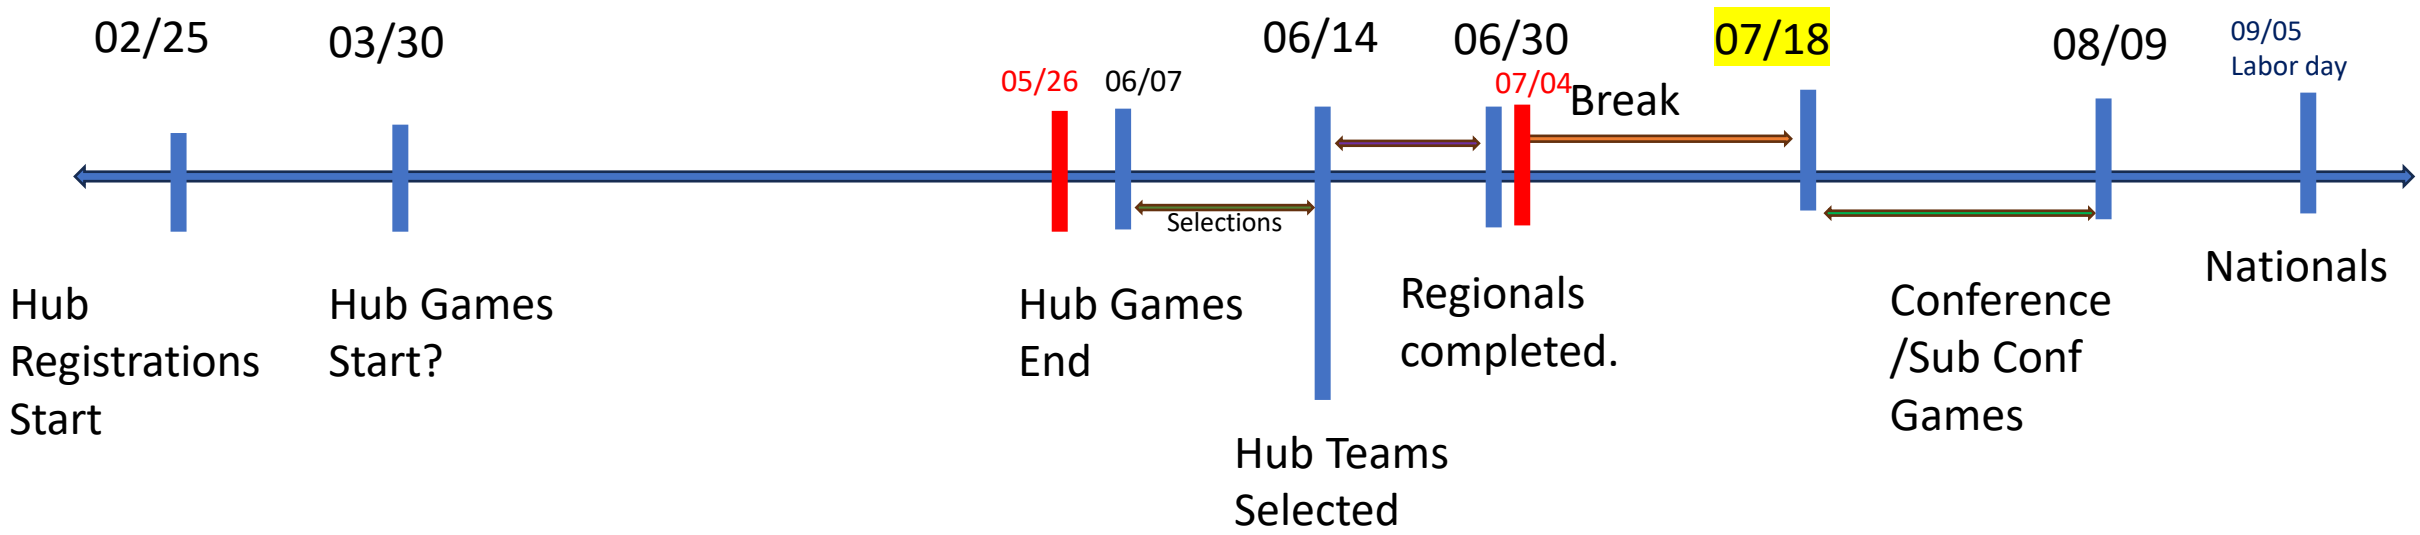

Must have a Regional champion in U13 and U15 age groups.

A minimum of 4 matches to be played by each team in each Regional competition

Key Points – cont'd

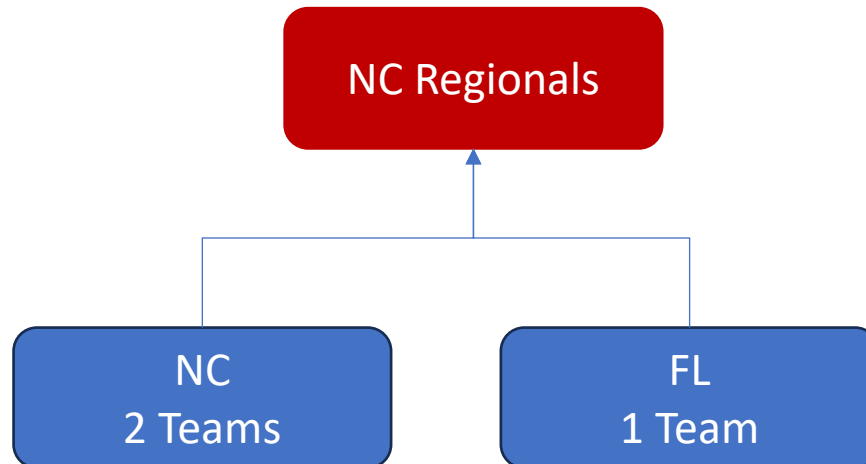

- The Hub Committee is looking at team composition based on feedback.
- •U15 – We are in the process of planning turf matches, which may involve some additional fees for those matches.
- The U17/19 program will have its own registration process and will feature exclusive Turf matches. We will ensure that the fees are aligned with the associated costs.
- Selections will be made for the Hub teams after the regular season.
- Approximate timeline is given in the next slide.
- Suggestions for coaches and team managers were taken into consideration by the Hub committee and the program is being prepared accordingly.

Eligibility Guidelines

Eligibility

- 9.1** – All players must register with USAC and pay the annual registration fee to participate in any pathway competitions.
- 9.2** – Residents or citizens of USA are eligible to play these competitions in 2024.
- 9.3** – There is no restriction on how long one has been a resident for the U11, U13 and U15 age-groups.
- 9.4** - Players can play either in the Hub where they reside or in the Hub that their club/academy participates in.
- 9.5** - Players are *not* permitted to play for more than one team.
- 9.6** - Females can participate at the Hub (U11, U13, U15) and Zonal (U13, U15) levels.
- 9.7** – Female players get a two-year age exception to participate in a lower age-group. They can choose to either participate in their age-group or the lower age-group, but not both.
- 9.8** - Age cut-offs are on September 1st of each year.
- 9.9** – Selectors **ONLY** may make recommendations for players to play up an age-group at Hub Level if they strongly feel that player has a chance of being selected to represent the Zone in the higher age-group.
- 9.10** – At Hub Level a male player must participate only in their respective age-group, unless the Hub Body and the parent/guardian has approved selectors recommended exceptional circumstances (see 9.9) for a younger player to play up.
