1.1.1. A minimum of 7 players are required in each side to have a match.

[Example: In the scenarios, where team(s) has only 7 players at the time of the toss, umpires will conduct the toss and start the game as scheduled. Use of Impact Player:

- Captain can use Impact Player immediately after the toss.

- The replaced player will take no further part in the match. Not even as a substitute fielder.
- Once Impact Player enters the field of play and replaces a player from playing eleven members, Impact Player becomes the part of the play till the end of the match.

The umpires shall be the sole judges of fair and unfair play.

[Any team or player intentionally delaying the proceedings of the match is considered as an act of unfair play. Intentional delay can be but not limited to change in bowler's run-up to negatively impact the over-rate, batter taking unusual amount of time to face the balls, fielding captain or players changing the field so often that it negatively impacts the over rate considerably, player changing the protective equipment regularly, and claiming a catch when player was clearly outside of the playing area (boundary rope) or ball bounced before catching etc.]
